Stacy,

It appears that your process server did not serve the correct person. The description of the person served is a white male, 5'6", 190 lbs., with black hair and wearing glasses. In fact, Mr Ligas is 6'3", 250 lbs, with salt and pepper hair and does not wear glasses. We have also now spoken with the correct Mr. Ligas and he has confirmed that he was never served with the subpoena. During our conversation, he indicated that is willing to appear for deposition on a mutually agreeable date. Please provide us with your available dates at the end of next week for his deposition to take place.

Just so I understand, you would be producing the witness for deposition now, or are we to have to re-issue the subpoena for a date you have available?

Please produce the contact information for Mr. Ligas that you used to communicate with him?

As for dates, we are available at 10:00 am on the 20<sup>th</sup> or 21<sup>st</sup> for his deposition.

And as your client is not interested in discussing settlement of this fee shifting case at this time we will also be proceeding with the deposition of Kimberly Cole that Mr. Sinn scheduled for March 13, 2008.
